Wellabe Rewards

Wellabe Rewards is a free program that encourages healthy living in exchange for rewards that members actually want.

- Members earn points by learning more about physical, mental, and financial health and interacting with online workouts and meditations. They also earn points every year on their policy anniversary and birthday. And if they sign up for our Be Well Buddies feedback program and complete our digital surveys, they'll earn bonus points.
- Members then redeem their points for rewards that help make healthy living easier, like Instacart, Audible, WeightWatchers, and more.
- Loyal members of Wellabe Rewards also receive free perks every year. The longer they're a customer, the more options they can choose from when they select their free perks — no points necessary.
 - o Bronze tier: Policyholder for 0–3 years
 - o Silver tier: Policyholder for 4–6 years
 - o Gold tier: Policyholder for 7–10 years
 - o Platinum tier: Policyholder for 11+ years
- All Wellabe Rewards participants can also access Mark Cuban CostPlus Drug Company for free and unlock savings on prescription medications.
