

Short-Term Care insurance¹

When one health care situation leads to in-home or skilled nursing assistance, it can quickly deplete funds. Short-term Care insurance not only helps maintain an active lifestyle while aging in place but also makes sure retirement savings are well protected.

Let's do more, worry less, and make every day better with Short-term Care insurance.

VARYING LEVEL OF BENEFITS AVAILABLE

Our Short-term Care insurance is an indemnity-based home health care plan, not reimbursement. The full benefit is paid per day, no matter what service is received. Three plan levels — Essential Care Plus, Essential Care, and a Limited Benefit Rider — are available based upon the health of applicant(s).²

- **ESSENTIAL CARE PLUS PLAN**
The applicant has no significant health issues.
- **ESSENTIAL CARE PLAN**
The applicant may have some health conditions but has not been diagnosed with most cancers, diseases, or AIDS/HIV; or has not had fractures from osteoporosis.
- **LIMITED BENEFIT RIDER³**
The applicant may have multiple health conditions but is not currently receiving care.
- **NOT ELIGIBLE**
The applicant is currently receiving care or been advised they need care for assistance with ADLs or cognitive impairment.

VALUABLE DISCOUNTS

Couples who apply together, save together. Household discounts apply for individuals with anyone in the same household who is over 40 years old.

- **7% DISCOUNT** for an individual qualifying applicant on Essential Care Plus or Essential Care plans
- **14% DISCOUNT** for any two qualifying applicants on Essential Care Plus or Essential Care plans
- **5% DISCOUNT** for any policy with the Limited Benefit Rider
- **MULTIPLE POLICY DISCOUNT⁴** of 5% for any applicant who also applies for or already has a Wellabe Medicare Supplement policy

PLAN OVERVIEW
